

As Pedder Patter Child Care Centre is a not for profit centre, we work on a break even budget. We require all fees to be paid within the fortnight. Our payment method is Ezidebit, which directly debits the amount due directly from a credit card or bank account.

**Childcare Benefit (CCB) and Childcare Rebate (CCR)** are available through the Federal Government and can be used for all programs. It is families' responsibility to register for CCB and CCR before starting care. PPCCC requires both the family and child's Customer Reference Number (CRN) on the enrolment forms when commencing care in each program.

Most families are entitled to CCR and can choose to have this paid directly to the centre, thus reducing the out of pocket expenses. It is the families' responsibility to inform Centrelink if they want this to occur.

**We are closed for Public Holidays with no fees charged. This applies across all programs.**

**These prices are current as of 1<sup>st</sup> January 2017.**
